LIFE THOUGHTS: June 10 – Pentecost III (Proper 5B) – Bearing unintended (at least from Eve’s perspective) offspring was key to God’s magnum opus (Genesis 3:15). A crippled body became heaven’s vehicle for humankind’s salvation. Advocating abortion access, supporting fetal-tissue research, and tolerance of hastening deaths reveal how narrow our imagination can be. Thanks be to God that His creativity exceeds our near-sightedness! *Almighty Maker, open our eyes to Your vision for life until it opens our mouths as well. Amen.*
