

**Welcome New Music Director  
Chelsea Dorner**

*Joins us for a welcome reception for Chelsea and family after both services today!*

St. Lucas is glad to announce that Chelsea Dorner will be joining our staff as a part-time music director.

A native New Yorker, Chelsea regards music an integral element of one's worship experience. She moved to St. Louis in 2016 while her husband is

attending Concordia Seminary, expecting a summer 2019 placement. She has since taught elementary school music at Rossman School in Creve Coeur.

Holding a Masters in music education, Chelsea taught music in New York's Sachem Central School District for more than 10 years. Her wealth of experience includes positions teaching general music, chorus, band and strings at the elementary level, as well as AP Music Theory at the high school level. She also has organized countless music festivals and performances, served on several leadership teams and held the role of music department chair.

Chelsea has had the opportunity to lead worship both in and out of church settings. Each group has been a unique gathering of individuals bound together by their love of Jesus. Whether it be on saxophone, vocals, percussion, or keyboard, she loves sharing her gifts to glorify God, as well as encouraging others to do so.

A mother of three, Chelsea enjoys spending time with her family, talking with people, bike riding, and finding humor in situations.

We heartily welcome Chelsea, husband Jim (who will be doing his field work with us) and children.
